Club Equality Policy

The club is responsible for setting standards and values throughout all age groups and teams.

Our commitment is to provide equality of opportunity and take action to eliminate all forms of discrimination.

Equality of opportunity at this club means that we will not discriminate or in any way treat anyone less favourably and will work to ensure that individual players have equal and appropriate access to club activities.

The club is committed to a policy of equal treatment of all of its members and will adhere to the requirements of the codes of practice issued by the FA in line with current legislation. A copy of the FA code is held on file.

Club coaches will make objective judgements in matters of recruitment, team selection and training, using football related criteria.
